

WELCOME TO THE MATRIX-Q COMMUNITY

Introducing the Guest Card

Your gateway to exploring and experiencing our diverse activities and events. Perfect for aspiring members, the Guest Card offers flexible options to suit your interests and schedule.

“I offer you 1250€ worth of vouchers to learn Matrix-Q knowledge, products, tools, skills, and methods, enhancing your performance as an entrepreneur or ethical leader. Embark on this journey to enhance your consciousness, create a purpose-driven, holistic lifestyle, and generate a positive impulse for the next 9 generations.”~ LDMF

Guest Card Plans

Choose the plan that fits you best:

- 1 Month Plan: 50€ (150€ voucher per month, renewal up to 3 months)
- 3 Months Plan: 120€ (750€ voucher for 3 months, renewal up to 9 months)
- 9 Months Plan: 300€ (1250€ voucher for 9 months, renewal up to 18 months)

Exclusive Vouchers

Guest Card members receive vouchers that enhance their experience and make sessions more accessible:

- Voucher Value: Ranges from 150€ to 1250€
- Session / Activity Discounts: from 50% to 100%
- Monthly Voucher Limit: Resets at the beginning of each cycle

If you don't consume the full voucher amount within your membership cycle (1 month, 3 months or 9 months), the remaining balance does not carry over. For example, if you have a 1-month plan with a 150€ voucher and use only 70€, the remaining 80€ will reset to 0€ at the start of the next month, and you'll receive a fresh 150€ voucher.

Community Activities

Guest Card holders can participate in a variety of community activities, each designed to provide valuable insights and experiences:

- Consultation (10 min): Introducing you to the membership options and tailor-made road map
- Introductory Workshops (40 min): Engage in hands-on learning with our expert instructors.
- Community of Practice Sessions (10 min): Short, focused practice sessions to refine your skills.
- Presentations: Gain knowledge on diverse topics from our expert speakers.
- Meetups: Network and connect with other community members.

- **Concerts:** Enjoy live performances and immerse yourself in the handpan sounds journey.
- **Q&A Sessions:** Get your questions answered directly by Luis Daniel Maldonado Fonken.
- **Demo Sessions:** Experience our tools and methods first-hand.
- **Open House Online Sessions:** VIP access to explore our knowledge and ecosystem
- **Matrix-Q Akademia Game:** Participate in the game to earn more points and vouchers.

How Does It Work

The goal of the Guest Card is to provide you with the necessary experiences, information, and structure to take the first or next step in your journey while you become familiar with the content, value, and quality of our services and products.

You'll have the opportunity to ask the questions you need and receive special attention during open house events. It helps you develop a trusting and closer relationship with Luis Daniel Maldonado Fonken.

If you need more time, you can continue using the Guest Card to participate in our community activities, up to a limit of activities per month.

Here's how it works:

Vouchers and Renewals:

With each renewal, the percentage that can be paid with vouchers will be reduced.

Example: If you take the monthly plan and a workshop costs 120€, the same workshop offers a 100% payment option utilizing vouchers. Then you can use your 200€ voucher to cover the full cost without additional fees, leaving you with 80€ for other activities.

Post-Renewal:

For the same example. If you renew at the month's end, only 75% or 50% of the workshop fee can be paid with a voucher the following month. The % will be reduced.

Incentive to Commit:

This ensures that Guest Card members understand the card is designed to help them commit to their journey. The same product may not be available after the next renewal at the same discount, encouraging thoughtful and timely decisions.
