- Engage as business developers and marketing agents.

MATRIX-Q Studio Trial Card Plans

The Matrix-Q Studio Trial Card is your entry point into a dynamic ecosystem and entrepreneurial exploration studios, designed for solopreneurs. This trial season allows both you and us to explore how we can collaborate effectively, providing a robust foundation for long-term engagement. By participating in challenges and projects, you will gain valuable insights and skills, earning points and vouchers that can be used for further training. Join us and become a part of our vibrant community, working together to create a positive impact on the world. We look forward to welcoming you!

Choose the plan that fits you best:

1 Month Plan:

50€ (150€ voucher per month)
Renewable up to 3 months

3 Months Plan:

120€ (750€ voucher for 3 months)
Renewable up to 9 months

9 Months Plan:

300€ (1250€ voucher for 9 months)
Renewable up to 18 months

Exclusive Vouchers

Studio Trial Card members receive valuable vouchers that enhance their experience:

- **Voucher Value:** Ranges from 150€ to 1250€
- **Session/Activity Discounts:** From 50% to 100%
- **Monthly Voucher Limit:** Resets at the beginning of each cycle

Unused voucher amounts do not carry over to the next cycle. For example, if you have a 1-month plan with a 150€ voucher and use only 70€, the remaining 80€ will reset to 0€ at the start of the next month, and you'll receive a fresh 150€ voucher.

How It Works?

The Studio Trial Card aims to provide you with the experiences, information, and structure necessary to take the next step in your journey. Become familiar with the content, value, and quality of our services and products, while developing a trusting relationship with Luis Daniel Maldonado Fonken.

You can continue using the Guest Card to participate in our community activities, up to a limit of activities per month.

Vouchers and Renewals

With each renewal, the percentage of fees that can be paid with vouchers will decrease. For example, if you initially use a monthly plan and a workshop costs 120€, you can cover the full cost 100% with your voucher. However, after renewal, only a reduced percentage (e.g., 75% or 50%) of the workshop fee can be paid with vouchers.

Enrollment Options

Start your journey with us today by selecting the plan that suits you best and unlock a world of opportunities:

- **1 Month Plan:** Perfect for a quick dive into our offerings.
- **3 Months Plan:** Ideal for a deeper exploration.
- **9 Months Plan:** Best value for those committed to long-term engagement

Benefits and Services Included in the Studio Trial Card

To ensure the Studio Trial Card provides a comprehensive and enticing trial experience for candidates, here are the key benefits and services included:

Extensive Trial Period

- **Flexible Plans:** Offer 1-month, 3-month, and 9-month plans to cater to different levels of commitment and exploration.
- **Generous Vouchers:** Provide substantial voucher values (150€ to 1250€) to cover various activities, workshops, and sessions.

Diverse Activity Access & Skill Development Opportunities

- **Introductory Workshops:** Access to a range of workshops that introduce the Matrix-Q methodologies, tools, and technologies.
- **Hands-on Projects:** Opportunities to participate in collective projects that give practical experience and allow candidates to contribute and learn. For example the Summer Season Projects.
- **Demo Sessions:** First-hand experience with Matrix-Q tools and methods to understand their practical applications.
- **Community of Practice Training Sessions:** Weekly/Daily sessions designed to enhance your performance in 20 sec, 10 min, 20 min or 40 min.
- **Consultations:** Initial consultations and guidance through the membership options and tailor a roadmap based on their interests,
- **Mentorship:** Including personalized individual and group coaching for personal growth and spiritual growth in the solopreneur journey.

Gamified Pathways

- **Earning Points:** Activities, projects, and participation should award points that accumulate towards earning rank, certifications and licenses
- **Thresholds of points** give access to a next level of training or module: Clear thresholds for earning certificates in various areas and levels of expertise, encouraging continuous engagement.
- **Income Generation:** Opportunities to earn an income through successful completion of certain projects or milestones.

Networking, Community and Collaboration

- **Meetups and Networking Events:** Regular events to connect with other community members, fostering collaboration and knowledge sharing.
- **Presentations and Q&A Sessions:** Opportunities to learn and get direct answers from Luis Daniel Maldonado Fonken.

Exclusive Content and Access

- **Open House Online Sessions:** VIP access to explore the full breadth of the Matrix-Q Holistic System and ecosystem.
- **Special Discounts:** Additional discounts on advanced workshops, tools, and long-term memberships for cardholders.

Performance and Feedback

- **Regular Feedback:** Constructive feedback on their participation and performance in activities and projects.
- **Progress Tracking:** Tools and resources to track their progress and see how their points (+/-) accumulate.
- **Wallet System:** Updates on earned, accumulated and consumed vouchers

Incentives for Long-term Commitment

- **Renewal Benefits:** Incentives for renewing their plans, such as bonus points, extra vouchers, or additional training sessions.
- **Graduated Voucher Usage:** A system that initially allows a high percentage of activities to be covered by vouchers, which gradually decreases to encourage long-term investment and commitment.
- **Apprenticeship Program:** Qualify as an apprentice, enroll in a long term hands on training program for masters of masters, at the Matrix-Q Akademia without paying additional fees.
